- Includes skirt, wings and valance drapes and hardware
- Standard skirt height is 45"
- Available in Ultra Velour, which is inherently flame retardant
- Da-Lite Ultra Velour can be washed in a washing machine, and will continue to be flame retardant while the cotton velour will lose its ability to be flame retardant with a number of dry cleanings
- Da-Lite Ultra Velour is sound neutral with a high opacity
- Available in black, blue or gray
- Optional Adjustable Skirt Bar so that the skirt can be used to mask the bottom of the viewing area of the screen
